# UNDERSTAND YOUR NEEDS & VISION...

What is your vision for the party? Please answer the following:

1. Is this **PARTY FOCUS** geared to the kids, the adults or both? \_\_\_\_\_

2. How many traditional **FORMALITIES** do you plan on involving? (Circle all that apply)

Grand entrance

Hora

Toasts

Candle lighting

Montage

Kiddush/ Hamotzi

Honor Dance

3. Is there a **THEME**? If so, what is it? \_\_\_\_\_

4. **PHOTO BOOTHS**... now as popular as having speakers and lights at parties, photo booths are practically an expectation at Bar/Bat Mitzvahs. Things to consider when exploring photo booth choices include: overall photo quality, digital delivery vs physical prints, back drop or enclosure, appearance and cost.

5. **LIGHTING**... there are four main categories of lights. If you don't understand the differences, ask a representative to get a better understanding.

- a. Ambient Room Lighting
- b. Dance Floor Lighting
- c. Gobo Projection
- d. Pin Spotting

6. **GAMES** are popular at Mitzvahs! Games can shape a party, games can define a party, or games can derail a party. Envision how you foresee the party. Do you want any of the following:

- a. Rental of games like Air Hockey, Foosball, Ping Pong, etc.
- b. DJ driven games like Coke and Pepsi, Scavenger Hunt, Trivia, etc.

7. **ACTIVITIES/PERFORMERS**... there are stand out elements which can be added to your party to match your theme and ultimately help solidify unique memories. You may consider...

- Live Musicians
- Air Brush Artists
- LED Robot
- Magicians
- Costumed Performers
- Aerialists

Don't have all the answers yet? That's OK! Let's chat and brainstorm a few realistic scenarios to consider.

# MEET YOUR ENTERTAINMENT TEAM...

1. The **DJ** handles the music mixing seamlessly and creating the audio landscape.

2. The **MC** is your event announcer, hype man (or woman) and becomes the face (and voice) responsible to coordinate all expected formalities, while keeping the energy up.

3. **DANCERS/MOTIVATORS** are extensions to the MC. These highly charismatic personalities immerse themselves on the dance floor with the guests while supporting the MC. These dancers/motivators are responsible to hand out swag, coral the audience, teach dance moves, befriend the kids and act as crowd control during important moments.

4. **TECHS/SUPPORT STAFF**... Photo booths, lighting, video screens, games, fun food stations, etc. all require additional support staff. These roles are often overlooked, yet they are vital roles to ensure a smooth flowing celebration while your primary performers can maintain proper focus and attention to their responsibilities.

5. **PERFORMERS**... in addition to the above crew, it's very common to employ additional talents to help elevate Bar & Bat Mitzvahs. These talents can include magicians, musicians, cirque styled performers, stilt walkers, air brush artists and more!

6. **ENTERTAINMENT COORDINATORS**... EC's as we call them hold a very important role in managing the team. The EC is the first on site and the last to leave. This role shouldn't be mistaken for the event planner. Once everything is preplanned, it's our job to make sure the timeline and expectations flow as they should. No party ever takes place 100% as expected. The EC, is the on-site liaison between the entertainment team, the venue and all additional participating staff.
